

PipeDart Mini 4.5mm - Cobra Rodding System

A tough compact flexi duct rod system which solves the problems associated with cabling over longer distances.

The PipeDart is a frame mounted cable pulling system manufactured from 4.5mm Diameter Composite Fibreglass Rod, also known as Cobra Rod or Duct Rod. The Steel Cage can be separated easily from the frame to allow for ease of handling / storage. The construction of this product allows for fast feed out and rewind and solves the problem of cabling over longer distances.

Features

- Fast easy Cable Installation
- Light weight for easy transportation
- Cage easily separates from frame
- Fibreglass sheathed with Polypropylene for durability and wear resistance.
- Compact 56cm x 41cm x 18cm

Construction

Rod:	Highest quality 4.5mm coated fibreglass rod with polypropylene sheath
Fittings:	Brass end fittings with smooth profile bullet tip (other fittings available)
Frame:	Rugged Steel Construction
Dimensions:	560mm x 410mm x 180mm
Brake:	Integral fully adjustable brake system fitted as standard

Part Number	Rod Length	Rod Diameter	Core Diameter
202-30M	30 M	4.5mm	3mm
202-50M	50 M	4.5mm	3mm
202-80M	80 M	4.5mm	3mm
